2. What is on Mahé? Tick (✓) the correct pictures.

7.10 *Hi, my name's Chantal. I live in a city called Victoria. Victoria is on the island of Mahé. Mahé is the biggest island in the Seychelles, and Victoria is the biggest city in the Seychelles. There aren't any big lakes or rivers on my island, but it has the sea. It also has mountains and forests, but it is most famous for its beautiful beaches. I think my island is the best place in the world!*

2. Read and complete the sentences. Use the words in the box.

2.11 On Mahé, the weather is always warm. It is usually sunny but we have a lot of rain in December and January. After school, I often go to the beach with my friends. We swim and dive in the sea. Sometimes we go fishing in a boat. Living on an island is great. But there is one small problem. Sometimes we can't buy some kinds of food, like cheese or rice. Then, we have to wait for those things to come to our island on a boat or on a plane, and that can take a week or more. In my street, the internet is very slow too. But it doesn't matter. I love Mahé and the Seychelles!

It's our world!

1. Read what the girl says about school lunches. Where do the girl and the boy live?

Hello. I'm Ji-Min and I'm from Seoul in South Korea. Look at the photo of one of my school lunches. Every day for lunch at school we have a tray of food like this, and a glass of water with it. We usually have soup, then rice and vegetables with something different every day. I usually enjoy school lunches, but not always. Fried chicken is my favourite – I always ask for more of that! We eat in the classroom with our teacher. Pupils serve the food, and after lunch we have to clean the classroom.

KITEPEDIA

This is my cousin, Min-Soo. He lives in the USA, and he sent me this photo of one of his school lunches. He doesn't have hot meals for lunch at school. His mum or dad makes sandwiches for him and he takes them to school in a box with some fruit, a bottle of juice or water, and some biscuits. He likes salad sandwiches best. He calls his meal a 'sack lunch'. He eats his lunch in the school dining room with children from other classes. He doesn't have to clean the hall after lunch.

2. Read again and circle *a* or *b*.
