Слова Ж. Садыкова, Ш. Кулуева
Музыка Н. Давлесова, К. Молдобасанова

Ак мөңгүлүү аска-зоолор, талаалар
Элибиздин жаны менен барабар.
Сансыз кылым Ала-Тоосун мекендеп,
Сактап келди биздин ата-бабалар.

Припев:
Алгалай бер, кыргыз эл,
Азаттыктын жолунда.
Өркүндөй бер, өсө бер,
Өз тагдырың колунда.

Аткарылып элдин үмүт, тилеги,
Желбиреди эркиндиктин желеги.
Бизге жеткен ата салтын, мурасын
Ыйык сактап урпактарга берели.

Припев:
Алгалай бер, кыргыз эл,
Азаттыктын жолунда.
Өркүндөй бер, өсө бер,
Өз тагдырың колунда.

Walk through

Take Off with English makes it easy for language learners to achieve a solid foundation in English and for teachers to measure their pupils' progress. It prepares learners for success in today's world by teaching them skills such as global awareness, critical thinking and collaboration.

Take Off with English 4 and *5* are perfect for all primary English classes but also fully develop learners' communication skills for the Cambridge English: Starters test syllabus.

Frequent practice of the four skills of reading, writing, speaking and listening is fully integrated into each unit of the Pupil's Book creating confident users of English. New grammar and vocabulary are introduced gradually and contextualised in a lively unit theme and story. In addition to the comprehensive Teacher's Guide, teachers can access supporting resources to facilitate teaching and strengthen their students' learning at www.mceducation.com/towe.

Children learn about the world, other children's lives and reflect on their own experiences in the It's our world! lesson in each unit.

Discussion questions encourage communication, personalisation and critical thinking.

The two revision units consolidate learning and prepare learners for assessments in a fun and communicative way.

Audio recordings provide models for speaking activities.
