**Слова Ж. Садыкова, Ш. Кулуева**
**Музыка Н. Давлесова, К. Молдобасанова**

Ак мөңгүлүү аска-зоолор, талаалар
Элибиздин жаны менен барабар.
Сансыз кылым Ала-Тоосун мекендеп,
Сактап келди биздин ата-бабалар.

***Припев:***
Алгалай бер, кыргыз эл,
Азаттыктын жолунда.
Өркүндөй бер, өсө бер,
Өз тагдырың колуңда.

Аткарылып элдин умут, тилеги,
Желбиреди эркиндиктин желеги.
Бизге жеткен ата салтын, мурасын
Ыйык сактап урпактарга берели.

***Припев:***
Алгалай бер, кыргыз эл,
Азаттыктын жолунда.
Өркүндөй бер, өсө бер,
Өз тагдырың колуңда.

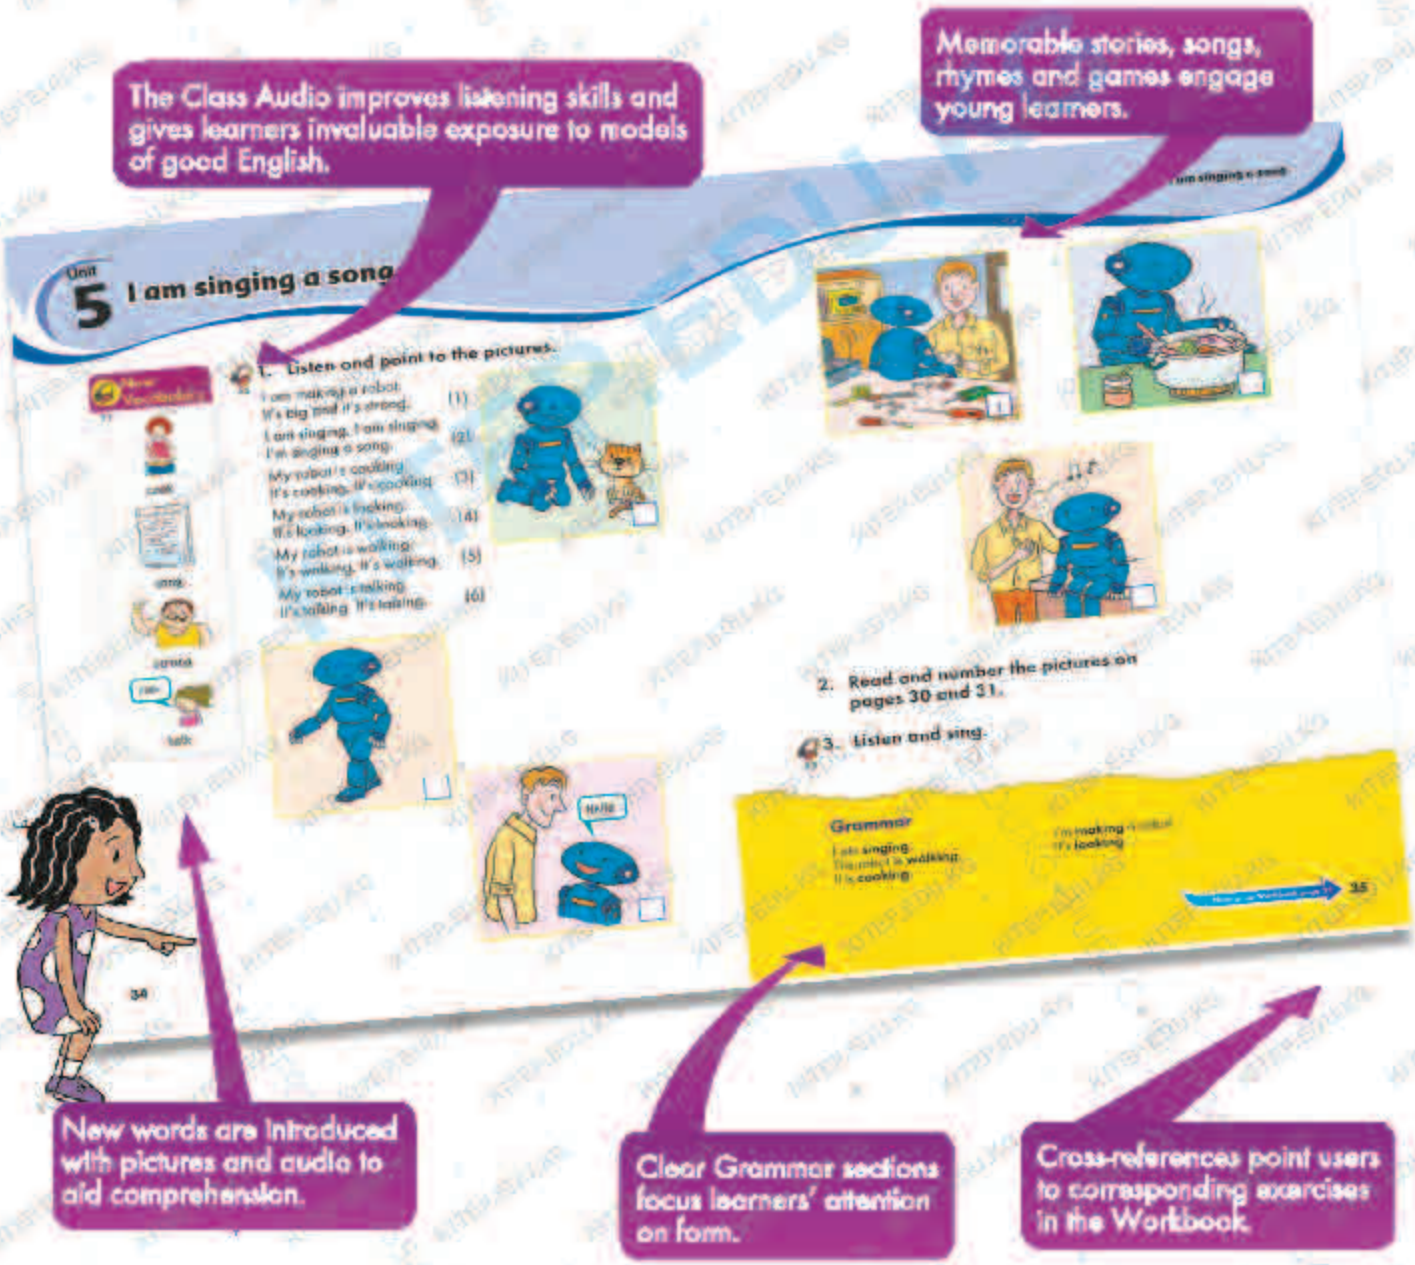

Hello, brave learners!
This book will help you grow your English skills, share ideas, and have fun while learning together.

*Take Off with English* makes it easy for language learners to achieve a solid foundation in English and for teachers to measure their pupils' progress. It prepares learners for success in today's world by teaching them skills such as global awareness, critical thinking and collaboration.

*Take Off with English 4* and *5* are perfect for all primary English classes and they also fully develop learners' communication skills for the Cambridge English: Starters test syllabus.

Frequent practice of the four skills of reading, writing, speaking and listening is fully integrated into each unit of the Pupil's Book, creating confident users of English. New grammar and vocabulary are introduced gradually and contextualised in a lively unit theme and story. In addition to the comprehensive Teacher's Guide, teachers can access supporting resources to facilitate teaching and strengthen their pupils' learning at www.mceducation.com/towe.

Children learn about the world, other children's lives and reflect on their own experiences in the It's our world! lesson in each unit.

Discussion questions encourage communication, personalisation and critical thinking.

Audio recordings provide models for speaking activities.

The two revision units consolidate learning and prepare learners for assessments in a fun and communicative way.

Revision activities are engaging and practise all four skills.
